

2011 / RUCKUS

## A Scooter Like No Other.

Want to blend in? Then forget about a Ruckus.<sup>®</sup> Because this machine packs way more attitude than bikes twice its size. Sure, the thrifty 49cc engine gets you where you need to go and hardly uses any gas doing it. Urban riding couldn't be easier thanks to the V-matic<sup>®</sup> automatic transmission and electric starter. And best of all the Ruckus is built tough so it can handle the challenges of urban life, but does it with a style all its own.

# 2011 / RUCKUS

## Key Features

- Lightweight 49cc four-stroke OHC liquid-cooled single-cylinder engine provides ample power for in-town riding.
- Gas-sipping constant-velocity (CV) carburetor with automatic choke delivers excellent fuel economy.
- Effortless electric starting system with backup kick starter.
- Automatic Honda V-Matic belt-drive transmission provides spirited acceleration.
- Oversize tires offer a secure grip on the road.
- Seat boasts a low 28.9-inch seat height for added confidence at stops.
- Transferable one-year limited warranty; extended coverage available with a Honda Protection Plan.

**ENVIRONMENTAL COMMITMENT** At Honda, we believe in performance and leadership. That's why we're taking a leadership position when it comes to the environment, in our products and in all other aspects of our business as well. For more information visit <http://powersports.honda.com/about/environment.aspx>.

**BE A RESPONSIBLE RIDER** Riding a scooter is an exercise in responsibility – to yourself, to others, to the environment and to the sport. So remember, always wear a helmet, eye protection and protective clothing whenever you ride. Never ride under the influence of drugs or alcohol. Inspect your scooter before riding and read your owner's manual. Log on to the HRCA® website ([hrca.honda.com](http://hrca.honda.com)) concerning reimbursement through the Honda Rider's Club of America® for Motorcycle Safety Foundation (MSF) rider training. Operating your scooter with a modified engine, emission control system or noise control system may be illegal. For more information visit [powersports.honda.com](http://powersports.honda.com).
